Part Number - 577002B04000G

RoHS
Compliant

Mechanical Outline Drawing

H
Dim 6.35

Thermal Curves

Thermal Resistance	32.00
--------------------	-------

Thermal resistance value is based on a 75°C rise in natural convection

Product Information

Part #	Description	Finish	Board Mounting
577002B04000G	Slim low cost channel style heat sink with solderable tab	Black Anodize	View Hole Dimensions
This non-electronic component is functionally unaffected by the normal soldering or reflow processes used for semiconductor circuits. The heat resistance time or heat resistance temperature is not applicable for the component.			

Not Exactly what you need?

We offer several options for those applications which require a more unique solution. For slight modifications of this part or other attachment options, finishes, and interface materials, contact your [local representative](#). Challenge us with your thermal requirements - we can design custom solutions.
