Jameco Part Number 1115723

For use with TO-220 packages

Part Number - 577202B04000G

RoHS   
Compliant

## Mechanical Outline Drawing

H  
Dim 12.70

# Thermal Curves

|                    |       |
|--------------------|-------|
| Thermal Resistance | 24.40 |
|--------------------|-------|

Thermal resistance value is based on a 75°C rise in natural convection

# Product Information

| Part #   | Description   | Finish            | Board Mounting                       |
|--|---|-------------------|--------------------------------------|
| 577202B04000G  | Slim low cost channel style heat sink with solderable tab for vertical mounting | Pre-Black Anodize | <a href="#">View Hole Dimensions</a> |
| This non-electronic component is functionally unaffected by the normal soldering or reflow processes used for semiconductor circuits. The heat resistance time or heat resistance temperature is not applicable for the component. |   |                   |                                      |

## Not Exactly what you need?

We offer several options for those applications which require a more unique solution. For slight modifications of this part or other attachment options, finishes, and interface materials, contact your [local representative](#). Challenge us with your thermal requirements - we can design custom solutions.
