|                                   |                                          |
|-----------------------------------|------------------------------------------|
| Name                              | MAS 50 S schwarz/black                   |
|                                   |                                          |
|                                   | plug with insulated handle; solder joint |
| Delivery informations             |                                          |
| Availability                      | available                                |
| Product description               |                                          |
| Type                              | MAS 50 S schwarz/black                   |
| Order No.                         | 930 131-500                              |
| Type of contact                   | male                                     |
| Description                       | plug with insulated handle; solder joint |
| Housing Color                     | black                                    |
| Number of contacts                | 5                                        |
| Conductor size                    | $\leq 0.34 \text{ mm}^2$                 |
| Technical data                    |                                          |
| LF output "Phone"                 | EN 60 130-09                             |
| Pole arrangement DIN              | DIN 41 524                               |
| Rated current                     | 4 A                                      |
| Rated voltage                     | AC/DC 34 V                               |
| Cable diameter                    | 5.5 mm                                   |
| Type of termination               | solder                                   |
| Material                          |                                          |
| Contact material                  | brass                                    |
| Contact surface material          | tin plated                               |
| Contact bearer material           | PA 66/UL standard 94V-2                  |
| Housing material                  | PE                                       |
| Environmental conditions          |                                          |
| Protection class (IEC 60529)      | IP 30                                    |
| Temperature range                 | -20 °C to +60 °C                         |
| Scope of delivery and accessories |                                          |
| Packaging                         | retail package, polyethylene bag         |
