

Large Cabinet Racks **Series 60**

[Click on Image for Larger View](#)

These cabinet racks are proof of what Bud designers have striven for and achieved: Quality enclosures that enhance the function, appearance, and value of your products. All Series 60 Cabinet Racks include welded frame, sides, top, and rear door.

Design Features

- *All welded 14 gauge steel frame with "U" shaped 16 gauge steel panel mounting rail supports.
- *Door, 20 gauge steel. Sides and top, 18 gauge steel.
- *Adjustable front and rear panel mounting rails tapped #10-32 on E.I.A. universal spacing. (use #7346 screws - order separately)
- *Accommodates 19" wide E.I.A. panels.
- *Bottom pierced for RC-7758 casters. *1.109 inch diameter knockout holes in base.
- *1200# equipment load capacity.

Bonus Features

- *Interiors are accessible from front and rear for easy installation and maintenance of components.
- *One door furnished. May be used on front or rear.
- *Add-A-Rack System used to combine two or more enclosures into one integral system.
- *Shipped completely assembled.

Finishes

Grey Texture (GT), Royal Blue Texture (BT). Available in other Bud textured finishes at no extra cost.

SERIES 60 Cabinet Rack (19" Panel Width)
