

904-00295

Duct Cutter

Article Number: 904-00295

Part Number: 904-00295

Type: DUCT CUTTER

Base Data

Type

DUCT CUTTER

Features

The HellermannTyton Bench Mounted Wiring Duct Cutting Tool is used to accurately measure and cut all of HellermannTyton's slotted and high density slotted wiring duct, solid dividers and covers. The hand lever is ergonomically designed to reduce user fatigue. The measuring guide incorporates both imperial and metric values which eliminates the need for secondary measurement devices. The stop bar slides up and down the measuring guide, improving productivity on repetitive cuts. The long lasting, hardened blade produces burr free edges and improves productivity by eliminating the need for filing the edges after cutting. The integrated safety guide protects the operator from the blade during operation which preserves workplace safety.

Logistic and Packaging

Packaging Type	EA
Pkg. Qty.	1 / 1
UPC	089306334989
