

## TOOLS

### Termination Tools

#### IT110EX

- Expert, spring-loaded termination tool
- Impact pressure adjustment control for modifying impact settings
- For use with HellermannTyton's 110 and 66 block blade
- Accepts all manufacturers' twist and lock style blades
- Non-slip handle provides a cushioned heel
- Latched area on handle for storing the replacement blades
- Offers a hook and a screwdriver to aid in the installation process. The multi-functional hook can separate twisted pair wire, strip insulation, and cut wire. The screwdriver doubles as a IDC contact insertion tool
- Optional light (IT110L) for dimly lit applications can be attached directly to the tool, the light is supplied with three batteries
