

Specification Sheet

Part Number: MKPCOHOSE

MK7 & MK9 , Special CO2 fittings, 1/Pkg

Article Number	110-09005
Type	MKPCOHOSE
Color	Black (BK)

Features & Benefits	<ul style="list-style-type: none"> • Enhanced technology for better application of cable ties. • Improved compressed air supply for faster tensioning piston movement. • Shorter processing time and greater volume of connecting tie application. • Genuine potential for rationalization. • Ergonomic design, molded handle to prevent slippage, reduce operator fatigue. • Lightweight but very tough housing made of glass fiber-reinforced plastic. • Meets high industry standards. • Tensioning and cutting off cable ties flush with head by pressing one button. • Smooth cut edge to prevent injuries. • Automatic ejection of cut-off cable tie end. • Three-level preset control to set tool tension. • Optional safety cap to prevent tension setting from being changed by accident (important when bundling sensitive materials and maintaining process reliability.) • Non-slip, comfortable grip, soft touch trigger, and one-touch tensioning/cut off. • Very lightweight and easy to use on all cable ties 2.5–4.8 mm wide. • All separately sold accessories are compatible with the MK7P series tool.
Product Description	<p>HellermannTyton offers a portable kit that incorporates carbon dioxide (CO₂) as the primary air source. This unique feature will allow for greater flexibility, mobility and the elimination of an air line to the tool.</p>
Short Description	<p>MK7 & MK9 , Special C02 fittings, 1/Pkg</p>
Global Part Name	<p>MKPCOHOSE-BK</p>
Technical Description	<p>MK7P & MK9P - Special C02 fittings for attachment to C02 tank from the tool.</p>
ROHS Complaint	<p>Yes</p>
Package Quantity(Imperial)	<p>1</p>
Package Quantity (Metric)	<p>1</p>
Customs Number	<p>8467920090</p>
