| <b>Product Description</b>            | HellermannTyton thermal transfer ribbons are designed for use in HellermannTyton thermal transfer printers. Available on 1/2" and 1" cores, the ribbons are coated side out and available in two different lengths. All ribbons are available in a variety of colors and are matched to the HellermannTyton label stock to give the best chemical and abrasion resistance. |
| <b>Short Description</b>              | Thermal Transfer Ribbon, 4.33" x 242', .50" Core, PET, Green, 1/pkg                                                                                                                                                                                                                                                                                                        |
