## LK202-25-FG

[Click to enlarge](#)[Manuals](#)[Software](#)[Appnotes](#)

Crisp, awesome color! This FFSTN display is unique and stands out in any application.

This 20 character by 2 line FFSTN LCD, comes with a use serial communication interface and has the ability to connect up to a 5 by 5 matrix style keypad.

Need a cable or mounting bracket to complete the setup? Check out the communication category under our menu and the mounting category under the accessories and choose any [2021/202A](#) mounting model.

Need sunlight visibility? Choose the [yellow/green](#) background/black text display!
