Super Contact Cleaner with PPE

801B

BUY NOW

Description (selected)MSDSFAQ

- Protects gold for life
- Improves conductivity
- Safe on plastics

Use when requiring a contact cleaner with lubrication that offers long-term protection from oxidation. Reduces contact scrubbing and reduces connection wear and abrasion failures. Protects, lubricates and deoxidizes IC's, connectors, jacks, relays, contacts, switches, plugs, batteries, controls, potentiometers and more.

Also available in [micro tip pen](#) format.

Available Sizes

| Catalog Number | Sizes Available | Description |
