Description

Please read through the guide in Shenzhen 2 U before making any purchase in this catalogue.

This is a refined metal push button with polished stainless surface and silver as contact material. It takes screw terminals as connectors so that it's easy to be assembled or removed on a project without soldering.

This button comes with 6 different colors: Glory Gold, Carbon Black, Dark Green, Crimson Red, Chocolate Brown, and Royal Blue.

Features

Shiny polished surface

Reusable screw terminals

Long life, 200,000+ push and bounce

Specifications

Diameter: 16mm

Degree of protection: IP67

Type: Momentary

Terminal type: screw terminal
