Features

Connects Audio/Video, Voice and Data Cable Lines in Your Network
This surface-mount box provides a fast, easy, cost-effective method for expanding your home theater (audio/video), VoIP phone (voice) or Ethernet (data) network. Common keystone jacks, including those used in RCA and Cat5e/6/6a applications, snap easily into the cutout for quick cable connection. The N082-012-WH is also compatible with right-angle keystone jacks with the use of the included adapters.

Easy to Install Where In-Wall Box and Wire Installation Is Impractical or Impossible
Just snap open the top cover to add up to 12 keystone jacks, then snap the cover closed. Use the included cable ties to secure cabling to the box. Vertical raceway slots at the top and bottom allow the box to be installed flush against a wall, ceiling or baseboard. Mounting screws are included.

TAA-Compliant for GSA Schedule Purchases
The N082-012-WH is compliant with the Federal Trade Agreements Act (TAA), which makes it eligible for GSA (General Services Administration) Schedule and other federal procurement contracts.
