

PowerLine™ Series Tool Pouch, 9-Pocket

Klein Tool's durable PowerLine™ tool pouch will help keep your tools handy. These heavy-duty pouches are constructed of double-layered 1000D washable Cordura® material. They are reinforced with rivets, double nylon stitching, and heavy-duty nylon webbing. Oversized pockets have reinforced bottoms for extra carrying capacity and puncture resistance. The PowerLine tool pouches are lightweight and comfortable in warm climates and pliable in cold climates, and there's no break-in period as they naturally form and hug the body for everyday comfort.
